

**SAVE THE DATE
RAFFLE/FUNDRAISER
November 19, 2022**

The annual Seeds of Hope Reverse Raffle fundraising event will be held again this year at the Northside Events and Social Club.

This year we will be celebrating the 23rd anniversary of Seeds of Hope and the 2nd anniversary of the Fr. Glenn O'Connor three quarter home! Once again, MC duties will be taken care of by Fr. Glenn's first cousin, Pat Sullivan and the live auction will be handled by Tom Zupancic and Joe Staysniak, therefore you are sure to be entertained.

As you know, the Seeds of Hope Mission is "is to provide transitional, residential living for chemically dependent women. The structured program gives them a strong foundation through a loving environment. This empowers them to lead drug-free, sober, independent lives, as responsible members of society."

We were able to open the Fr. Glenn O'Connor three quarter home last year due to your tremendous generosity – THANK YOU! We now hope to continue the mission started by Fr. Glenn and build a recovery center and three quarter home for women and their children on land adjacent to the current buildings.

Last year, we had over 40 sponsors of our event and we hope to have a like amount this year. If you were a sponsor last year, THANK YOU. Please consider becoming a sponsor for this event. Raffle tickets are now available for purchase. Please see the attached table sponsor and raffle ticket form.

We also need items donated for our live and silent auctions. Please contact Jenny Matthews at 317-289-3324 or jmattbogey@gmail.com to arrange delivery of your gift.

Thanks very much for your interest in Seeds of Hope. We all need to join together to keep this great mission going strong. God bless you!
